

# MIDDLE TOWNSHIP HIGH SCHOOL

## 2026 - 2027 SCHOOL PROFILE

### VISION STATEMENT

Middle Township High School upholds the mission of our school district while seeking to provide students with an educational foundation that prepares them for academic challenges and personal enrichment. This opportunity provides equitable access to academic subject areas, as well as exposure to the arts, athletics, and other activities, all of which are available to every student. We believe exposure to these different pillars of instruction is essential to produce a well-rounded student. As a school representing the diverse needs of our students and learning community, Middle Township High School is dedicated to creating a nurturing environment that not only challenges all students, but provides them with the necessary skills to become successful, active citizens.

### IT'S MORE THAN JUST FOUR YEARS, IT'S FOR LIFE.

### SCHOOL CURRICULUM

Middle Township High School offers more than 175 courses from which students can select. The courses are designed to not only meet each student's academic needs, but to appeal to a wide variety of student interests. Our broad spectrum of academically rigorous courses include advanced placement, dual-credit (college level), honors, advanced, college prep through vocational-practical arts, general, fine arts, and dedicated technology courses. Academics at Middle Township High School are aligned with the state and national core content standards with an instructional focus on problem solving, creativity and lifelong learning. Student grade point averages are calculated with a weighted factor aligned with the rigor of the course.

|       |          |     | F +   | 0       | 0   |

### GRADUATION REQUIREMENTS

4 years English  
 4 years Health/Physical Education  
 3 years Mathematics  
 3 years Science  
 2 years US History  
 1 year World History  
 1 year Visual/Performing Arts  
 1 year Practical Arts/Career Ed  
 1 year Computer Course  
 1 year World Language  
 1/2 year Financial Literacy  
 Total = 120 credits  
 In addition, students must meet minimum  
 NJ Graduation Pathway requirements.

### EARLY COLLEGE

Students in this program have an opportunity to enter the workforce with an associates degree after high school graduation. Those applying to four-year colleges and universities will be academically ahead of their peers, ultimately saving time and money needed to earn a bachelor's degree.

- Earn an associates degree from Atlantic Cape Community College and Stockton University while in high school.
- Students must apply to the program.
- Dual-credit courses offered through Atlantic Cape and Stockton at Middle Township High School are taught by HS staff and college/university professors.
